RESPONSE TO ADVISORY ACTION

Dear Sir:

In response to the Advisory Action mailed 12/29/2004, please note the below amendments. A marked-up copy of claims is attached herewith.

In the Specification:

Please replace at page 9-10, the first paragraph with the following:
"Bleaching compounds are suitable for use in cleaning hard surfaces as well as dishware. The primary role of bleach in dishware washing is to reduce the spotting and filming by breaking down and removing the last traces of absorbed soils. In the instant invention, suitable bleaching compounds include chlorine, sodium hypochlorite, calcium hypochlorite, bleach liquor, lime bleach liquor, bleaching powder, chlorinated lime, chloride of lime, dibasic
